ABOUT LAUNCHPAD

BEYOND IDEAS. BEYOND LIMITS.

AN IMMERSIVE FLAGSHIP EXPEDITION BY E-CELL BRINGING TOGETHER STUDENT BUILDERS AND REAL STARTUP FOUNDERS.

- NOT A SEMINAR — A RAW, BEHIND-THE-SCENES LOOK AT REAL ENTREPRENEURIAL JOURNEYS.
- THE EXPLORER'S ARENA — WHERE STARTUPS ARE NEW WORLDS AND IDEAS TURN INTO EXECUTION.
- THE STARTING POINT — DESIGNED TO SHIFT STUDENTS FROM PASSIVE OBSERVERS TO ACTIVE CREATORS.

THE POWER TO INSPIRE & INNOVATE

FOUNDER 1

Three founders. Three journeys. Three worlds.

Shreyas Karalkar

Founder – ROBONYX

A second-year Computer Science Engineering student with a strong interest in electronics, embedded systems, coding, and hardware troubleshooting. Driven by curiosity and hands-on problem-solving, he aims to bridge the gap between software and hardware by developing practical solutions that make building, debugging, and troubleshooting electronics projects simpler, faster, and more accessible.

FOUNDER 2

Three founders. Three journeys. Three worlds.

Ravikishan Singh

VitaBuilder

A third-year I.T. student with a strong interest in Tech. VitaBuilder is an AI-powered resume builder that helps job seekers create professional, ATS-friendly resumes quickly and easily. With smart formatting, live ATS scoring, and AI-powered content enhancement, it ensures resumes look great to recruiters and remain readable by hiring systems.

FOUNDER 3

Three founders. Three journeys. Three worlds.

Akshara Mote

Founder - XEISS

XEISS is an all-in-one event companion that brings maps, schedules, artists, food, tickets, notifications, and safety services into one platform. From discovering events and planning performances to navigating the venue, ordering food, and getting emergency assistance, XEISS helps attendees enjoy a smoother and more connected event experience. It also connects event organizers with businesses, making XEISS a complete digital ecosystem for modern events.
